# Program Overview

## **Introduction**

Thank you for your interest in Supreme Court Basketball (SCB) Skill Development and AAU Travel teams. We understand that you have several options when choosing a team, and we look forward to you joining our organization. We will do our best to use our knowledge and expertise will help guide you through competitive youth basketball through skill development.

The following document is intended to outline team policies and procedures by which SCB will operate. It is intended to be a resource for players, parents, and coaches to reference throughout the season. Please read and understand each section as all players, parents, and coaches will be required to sign consent to these policies and procedures for the current season.

## **History**

Supreme Basketball, LLC was founded in 1997 by Donald Payton and started as a college exhibition team, competing against NCAA Division-1 college teams. Since, Supreme Court Basketball has expanded to include various skill development programs (AAU Travel teams and skill development training, etc.), boys and girl's teams, and competitive team events (leagues, tournaments).

In 2021, Supreme Court Basketball is beginning it's first season as a skill development program and AAU travel team with teams based in Chesterfield, VA. We are confident that our delivery of basketball skills and development, you will find that your child will benefit from our program. We look forward to working with all of our prospective players, parents, and coaches.

## **Mission & Vision**

Supreme Court Basketball's mission is to prepare through skill development as they continue their basketball careers, whether that be elementary, middle, high school, or college while simultaneously teaching them life lessons that will lead to success in anything they do, on or off the court.

Supreme Court Basketball's vision is to win in development, getting better daily and to be more of a positive individual while maintaining a focus on teaching, coaching, and learning.

## Director

Donald Payton, Founder/CEO began coaching basketball in 1996-1999 when he founded Supreme Court Basketball (SCB). He initiated all aspects of the program and confirmed contracts to compete his team of former college basketball players against Cleveland State University, Wright State University, College of Charleston, South Carolina State University, Winthrop University amongst others. In 2003, Payton joined the staff at Clinton Junior College as an assistant coach where the Golden Bears went 41-22 in his two years claiming the NJCAA Region X Conference Tournament Championship and advancing to the National Tournament. In 2005, Payton joined Barton College as assistant coach and recruiting coordinator, the Bulldogs claimed the CVAC regular season and conference tournament championship advancing to the NCAA Division II Elite Eight in Springfield, MA. The following season, Payton joined the staff at Lock Haven University where he helped the Bald Eagles with complete their best finish in 10 years with a record of 12-15, after they previously posted three consecutive 4-23 seasons.

In 2006, Payton was named head coach of Clinton Junior College and in his two season there he finished 37-28, winning a share of the Region X Conference Tournament. Payton then went to Virginia State University in 2009, as the recruiting coordinator and top assistant coach of the Trojans. Following two seasons at VSU, Payton was named the head coach at Varina High School and after two successful seasons going 23-21 in two seasons, he went on to be the top assistant coach at Richard Bland College, helping them to a 27-4 record and a NJCAA Division II Region X Conference Championship. Coach Payton has experience operating summer basketball camps, skill and development training, as well as, coaching on the high school and college level. Coach Payton has extensive experience as a camp director and skill development instructor for high quality training.

The focus and vision for Supreme Court Basketball is skill development, while observing the evolution of players to reach their maximum potential. In doing this, SCB offers the opportunity for all players to gain experience through skill development as they compete at the local, regional and national level. We take our younger teams through a maximum of four AAU tournaments, in addition to playing locally, but focusing more on skill development and training. Our older teams continue with the skill development focus, while increasing in their tournament experience based on their competition level. We want to be a premier program to assist players from the beginning level to become an elite level basketball player. We believe that everyone can be a competitive basketball player because getting better is an equal opportunity.

# Program Philosophy

## **Coaching Philosophy**

At Supreme Court Basketball, we pride ourselves on skill development and training, these are implemented within our practices to develop our players. Our focus is seeing the evolution of our players as they develop into not only better athletes, but overall better people. “Teaching” is what we do during skill development and practice, “Coaching” is what we do during the game, and “Patience” is what we will practice as we work with all of our players in the program.

## **We Are About Evolution**

There is nothing more that we want to observe is to watch our players get better over time and reach their potential athletically. The focus of player enhancement and skill development will be constant and consistent as we deliver the most current and relevant skills and drills to support our players quest to building their basketball ability and IQ.

## **We Will Compete**

Our ultimate goal is to be competitive and to put our players in realistic tournaments and leagues to be successful. We will compete and require our players to strive to give their absolute best when taking part in the skill development, practices and competition. In addition, our program will do everything we can to support our players to reach their goal in a reasonable amount of time.

## **How We Define Winning**

SCB defines winning as providing the development for our players from the moment they enter our program, take part in the skill development and training (and doing these skills on their own) reaching the travel team and being a skilled and high IQ basketball player. Although this may take time, once it is achieved everyone WINS. Whether it is making the school team, or just wanting the skill development for self-improvement, we are here to provide the support you need to not only WIN on the basketball court, but to WIN in the game of LIFE.

# Membership Process

## **Membership Process**

SCB is open to any beginner, intermediate or advanced level players who wish to play. Teams are separated by gender, age/grade rules, location, and skill level to create the best possible experience for our players. Please note that team formation is affected by tryout numbers, player skill, gym availability, and coaching talent. SCB reserves the right to modify its team offerings at any time.

## **Registration Process**

Registration is available online through our website annually by February 1st and August 1st for each season, respectively. All Players should register according to their grade and gender.

## **Team Divisions**

Supreme Court Basketball expects to field teams per grade for boys and girls. If there are enough players at tryouts to create multiple teams in a single grade and location, the teams will typically be created according to skill level. We do this by naming the teams from most competitive to least competitive team using Elite and Select, in that order. We believe this gives players of different skill levels the opportunity to maximize their practicing and playing time, and thus, their improvement.

## **Tryouts & Overview**

The main tryouts for our teams will be held in February for the spring/summer season. If a player makes and accepts his or her spot on the team for the spring/summer season, they will have the option to continue on into the secondary fall/winter season. Tryouts will then be held again in late August for teams only to fill in any open spots for the upcoming fall/winter season. High school grade teams will have the option to play in the fall due to school winter basketball season, and again in the spring/summer AAU season.

Tryout information will be posted to our upcoming website and all relevant published materials annually by February 1st for the spring/summer season and August 1st for the fall/winter season. Both season's tryouts will consist of two to four sessions depending on the grade level. Attendance at one tryout session is required to be eligible for selection. Supreme Court will incorporate skill development within the tryout for drills and scrimmaging in order to maximize the opportunity for players to display their skills.

## **Tryout Process**

Arrive 15-20 minutes prior to the scheduled tryout time. Due to the capacity restraints, ALL tryouts are closed to spectators, however, SCB will hold a parent meeting for 10-15 minutes immediately following the tryout. After the meeting, parents are expected to clear the gym. Tryouts will begin with a brief introduction and explanation followed by warm-ups. After, our coaches will put the players through various drills and then divide them up into teams for scrimmaging. SCB evaluates players on many skills throughout the process including fundamentals such as shooting and ball handling as well as intangibles such as effort, IQ, attitude, etc. It is strongly encouraged that players attend both tryout sessions in order to highlight their overall ability.

## **Parent Expectations**

Parents are solely responsible to ensure their child is properly registered and outfitted for tryouts. This includes accurate contact information, waivers, and tryout fee. Failure to do so may hamper your athlete's ability to make a team. All general information handouts concerning practice locations and times, tournaments, player fees, etc. will be provided before and at tryouts along with a brief parent meeting. If a parent has any questions regarding the coaching staff, practice/tournament schedule, player fees, or the program in general, please send an email prior to tryouts or ask at the parent meeting. Again, ALL tryouts are closed to spectators. Please arrange transportation accordingly.

## **Coach Expectations**

All coaches need to arrive 30 minutes prior to the start of tryouts to allow ample time to configure gym space. The team requires additional coaches to check-in athletes and facilitate the tryout process. Coaches must record comparative notes on players so they can make selections based upon skill and overall team goals. Supreme Court Basketball advises each coach to consider the appropriate number of players which may exceed the team roster (12) in preparation of any players that may decline the roster. Understand that tryout numbers are often very large and time very limited, so as such, do not take time to coach, correct, or thoroughly explain drills. Set up the drills or scrimmages quickly, start them, and then observe and record. Upon conclusion of tryouts, all coaches need to meet for a mandatory post tryout review to discuss potential team(s) and team candidates.

## Team Selection & Notification Process

SCB will send out an initial email to all tryout participants within 24-48 hours after the final tryout session. If you do not receive an email, please check your spam folder. If not there, please email [contact@supremecourtbasketball.com](mailto:contact@supremecourtbasketball.com). This email will contain the basic details about the team, including selected roster, “skill/development” candidates, coach, practice time/location, etc. Selected players will be given 24 hours to confirm or deny their roster spot, however it is our expectation that if a player does make a team, that player be ready to accept their spot immediately. If SCB Select does not receive an email back from a selected player within the 24-hour period, we will attempt to reach that player by phone. However, if SCB still cannot reach that player within a reasonable time frame, that player’s spot will be forfeited and given to an alternate. SCB is not responsible for chasing down selected players. It will be stressed to players and parents at tryouts that SCB will communicate the roster with them through the email they used to sign up and to check within 48 hours after the final tryout session.

***\*All Players will be provided a Program code to register for an AAU Membership. This membership card is required in order to practice with the team, this includes skill development program players as well.***

## Acceptance

It is SCB’s expectation that all players at tryouts will accept their roster spot on a team should one be offered to them. **If at any time during the tryout period, a player does not wish to be considered for a team, please let the director know immediately.** Once all players have accepted their roster spot, a more detailed email will be sent out with all team information, including practice time, days, and location, tournament schedule, coach info, player fees, AAU registration instructions, team gear, etc. Players/parents will then be given 48 hours to sign our “Policies and Procedures Handbook” and purchase their team membership as well as their team gear from the website. Failure to do any of the above may result in the forfeiture of that player’s spot on the team.

Once players sign our “Policies and Procedures Handbook”, accept the membership contract and make their first membership payment, a player’s acceptance is final and is responsible for payment of the **entire** seasons dues regardless of whether they choose to pay monthly or in full. There will be NO refunds given for any reason, including quitting. Please see our injury policy if it may apply.

# Team Fee Information

## Team Fee Information & Payment Options

Supreme Court Basketball recognizes that competitive basketball is an investment in your athlete's development. We strive to be the best at what we do, and we have chosen to do this for the sake of developing, mentoring and coaching young athletes, so no decision, including player fees, is taken lightly and without much consideration. SCB offers lower rates to allow team members to not have the burden of another financial strain.

| <u>TEAM</u>                | <u>MEMBER DUES</u>    | <u>SEASON</u>       |
|----------------------------|-----------------------|---------------------|
| 10U-15U Grade Boys/ Girls  | \$750/AAU Season      | March-July          |
| 16U- 17U Grade Boys/ Girls | \$750/AAU Season      | March-July          |
|                            |                       |                     |
| Skill Development Program  | See website for plans | March-July/Sept-Nov |

SCB offers three payment options to accommodate families. 1) Fees may be paid upfront for the entire season's fees or 2) Fees can be paid in two installments, the first at the time of acceptance and the second installment due prior to April 1<sup>st</sup>. This must be set up within 48 hours of a player's acceptance of their spot on a team. ***NO UNIFORMS WILL BE DISTRIBUTED UNTIL PAYMENTS MADE IN FULL.***

### Method of Payment

All membership payments (Credit/Debit cards) are made through our secure online registration software available online. ALL FEES PAID ONLINE at [www.supremecourtball.com](http://www.supremecourtball.com).

### Late Policy

Players with an outstanding balance will not be allowed to practice or compete until paid in full. Special arrangements will require approval by the director.

### Refund Policy

SCB has a strict no refund policy once players sign our "Policies and Procedures Handbook", accept the membership contract and make their first membership payment. After this, players unable ***or not willing*** to complete the season for *any* reason will not be given a refund and will still be responsible for the entire season's dues, including all future monthly payments.

### Injury Policy

If a player gets injured and is going to be out six weeks or longer then said player can provide SCB Select with a doctor's note, and SCB will decide on a case-by-case basis with the player and family.

## **Sibling Discount Rate**

For those families with multiple children playing, SCB has set up a sibling discount rate to reduce the cost of each child after the first. To take advantage of the sibling discount, parents should purchase the fall-price membership for their oldest child and then after that can purchase a sibling discount membership for the remaining child(ren). Families with two children in the program will receive a 10% discount and a 15% discount for three or more players in the program.

# Practice and Tournament Expectations

## Practice and Tournament Expectations

### (Grades 4-6) Practice

Elementary school teams will practice for 3 hours per week. All practices will be between 6-8pm at a local gym, ***some weeks practices may vary due to school closures***. These practices will largely focus on skill development like shooting, ball handling, rebounding, passing, and defense as well as begin to teach the basics of team drills and play. Practice will begin the first week of March and go through the last full week of June.

### Tournaments

Teams will play in 6-7 AAU tournaments for the spring/summer season. Tournaments may be sanctioned (AAU, NTBA, USBA, etc.) or non-sanctioned and typically take place Friday evening through Sunday afternoons, although sometimes are only one day Saturday only events. The first tournament will take place mid/end of March and the last tournament will be the weekend of the last full week in June.

### (Grades 7-9) Practice

Middle/High school teams will practice for 4.5 hours per week. All practices will be between 7:30-9 pm at a local gym, ***some weeks practices may vary due to school closures***. These practices will continue to focus on skill development like shooting, ball handling, rebounding, passing, and defense, but move into more complicated team drills and concepts. Practice will begin the first week of March and go through the last full week of June.

### Tournaments

Teams will play in 4-6 AAU tournaments for the spring/summer season. Tournaments may be sanctioned (AAU, NTBA, USBA, etc.) or non-sanctioned and typically take place Friday evening through Sunday afternoons, although sometimes are only one day Saturday only events. The first tournament will take place mid/end of March and the last tournament will be the weekend of the last full week in July. Teams will have the option for a travel or “nationals” event for their last tournament of the season with the approval of the directors. Please note, travel costs (transportation & lodging) are not included in the program membership and are an added cost to the player.

## **(Grade 10) Practice**

High school teams will practice for at least 3-4.5 hours per week broken up into two or three 1.5-hour practices. All practices will be between 7:30-9pm at a local gym Monday-Thursday and repeating same day, time, and location each week, **some weeks practices may vary due to school closures**. These practices will focus on advanced skill development, team drills and concepts, and high intensity, controlled scrimmaging. Practice will begin the first week of March and go through the last full week of July. Players will be off for the last 2-3 weeks in June in order to participate in their school practices and summer games.

## **Tournaments**

Teams will play in 4-6 AAU tournaments for the spring/summer season. Tournaments may be sanctioned (AAU, NTBA, USBA, etc.) or non-sanctioned and typically take place Friday evening through Sunday afternoons, although sometimes are only one day Saturday only events. The first tournament will take place mid/end of March and the last tournament will be the weekend of the last full week in July. Teams will have the option for a travel or "nationals" event for their last tournament of the season with the approval of the directors. Please note, travel costs (transportation & lodging) are not included in the Program membership and are an added cost to the player.

## **Local League Play**

**SCB will sponsor players interested in Fall Basketball League who are in the skill development program, to help prepare for the Spring/Summer AAU season.**

# Additional Team Policies

# **Additional Competition Team Policies**

## **Eligibility Paperwork**

All players will be required to turn in a 1) copy of their birth certificate and 2) a copy of their report card to the team coach before the first tournament. The coach will then keep all players eligibility paperwork in a binder to be used to show proof of age and grade at tournaments. ALL players must register with AAU to be eligible for tournament play.

## **Travel Costs**

Parents are responsible for the additional costs of travel, including transportation and lodging. Often times, teams are able to carpool to tournaments, so there are no transportation costs, but large van rental is sometimes necessary. There are, however, almost always lodging costs.

### **4th-7th Grade Teams**

Parents are responsible to reserve and pay for their own lodging costs. Often times, tournaments allow participating teams to reserve blocks of hotel rooms at discounted rates. In this case, SCB will reserve a block, but it is parents' responsibility to secure and pay for rooms.

### **9th-11th Grade Teams**

SCB will reserve a block of rooms and pair players together with roommates. Each player will be responsible for their equal share of the team cost of transportation and lodging. PSB believes that older players need to learn the responsibility of sharing a room with a teammate and also that this is a great way to emphasize team bonding and communication. Parents may reserve their hotel room separately from the team, if they wish to attend the tournament.

# Parent, Player & Coaches Expectations

# Parent Expectations

Parents' most important role is to support their child, team, coach, and Program. Players will undoubtedly have a hard practice or a rough tournament, and it is the parents' job to support the overarching goals the team is striving to achieve. Please remember, **“your child’s success or lack of success on the court does not indicate what kind of parent you are. But, having an athlete that is coachable, respectful, a great teammate, mentally tough, resilient and who tries their best is a direct reflection on your parenting.”**

## Overall Commitment

Parents will support their players by positively cheering, ***not coaching or officiating***. Parents will assume financial responsibility and pay in a timely manner. Parents will do their best to ensure players arrive to events on time. Lastly, parents will be amicable to all parents, players, coaches, and referees.

## Parent Code of Conduct

1. I understand that I am representing Supreme Court Basketball, and I will always do my best to positively represent the organization and its values.
2. I promise to let the coaches coach and will not coach my child or child’s team from the sidelines during practices or games.
3. I promise to let the referees officiate the games and will not yell at them or berate them before, during, or after games.
4. I will do my job as a parent, which means that I will not speak negatively about any coach or player, but rather positively encourage and support my child and my child’s teammates and coaches.
5. I will abide by the “24 Hour Rule”, which means I will not speak to my child’s coach about playing time or game strategy within 24 hours after a game end.

## Communication with Coaches and Staff

Should any questions or concerns arise pertaining to your child’s status with regard to their team, parents should follow the process of discussion described below in order to understand the situation:

If players have concern(s), they are encouraged to first reach out to the coach for a one-on-one phone call or meeting.

1. If there is still concern following the player coach meeting or phone call, then parent(s) and player(s) will set up a mutually agreed upon phone call or meeting with the head coach.

2. No discussion will take place during practice times or on game days. Although this might require patience, please realize the coach is responsible for the entire team and should not be expected to focus on one individual at crucial team events.
3. If concern(s) still exist on behalf of any party, a phone call or meeting involving the SCB Director, head coach, player(s) and parent(s) may be warranted to seek resolution. Only after such meeting will the matter be resolved and closed.

All problems and concerns are vetted only in a scheduled phone call or meeting. All outcomes will be confidential and private. Please refrain from sending inappropriate or accusatory emails to any SCB staff, coaches, team representatives or fellow parents.

## **Player Expectations**

Players are expected to maintain a Program and team first attitude. Players should expect to learn and continue to build upon their fundamentals. Likewise, players will learn about the strategic basketball game, including offensive and defensive systems. Most of all, players and teams are expected to **“play tough, play smart, and play together”**.

### **Overall Commitment**

Players are to attend all practices, tournaments, and team/Program events.

### **Player Code of Conduct**

1. I understand that I am representing Supreme Court Basketball, and I will always do my best to positively represent the organization and its values.
2. I will demonstrate good sportsmanship, which means I will be respectful of all players, coaches, referees, and parents.
3. I will not whine, complain, make excuses, or pout when things do not go my way.
4. I promise to be as enthusiastic about the success and accomplishments of my teammates as I am of my own.
5. I will abide by the “24 Hour Rule”, which means I will not speak to my coach about playing time or game strategy within 24 hours after a game end.

### **Communication with Coaches**

Players should email, call, or text coaches to set up a time outside of practice and tournaments to discuss skill development, playing time, team chemistry or other issues that may arise. Coaches will talk or meet with players in a public, neutral area to discuss the player’s concerns. Coaches will give direct feedback to players to use as a guideline for resolving the issue. Players are expected to reply to coach emails within a timely manner.

# Coach Expectations

Coaches are the foundation of Supreme Court Basketball and our Select teams, and with this comes a huge amount of responsibility. Coaches are expected to be prepared for practices and games and constantly be teaching their players in a demanding, yet positive manner. Winning is not the priority, but coach to win. However, coaches should also never sacrifice the development an individual player or the team for the sake of winning. Coaches are to help build the basketball and life skills of players first and foremost.

## Overall Commitment

Coaches are expected to attend all practices and games.

- Coaches should arrive at least 15 minutes early to practices and be prepared run effective and challenging practices.
- Coaches should arrive at least 20 minutes early to games in proper SCB coaching attire as well as with 12 basketballs and a coach's dry erase board.
- If coaches are going to miss a practice, game, or tournament, notify the director or other authorized point of contact so that SCB can find a replacement coach.
- Coaches are responsible for handing out and recollecting **all** game uniforms.

## Coach Code of Conduct

1. I understand that I am representing Supreme Court Basketball, and I will always do my best to positively represent the organization and its values.
2. I understand that the goals of SCB Select teams are for each player to improve and (hopefully) have fun, and these goals take precedent over my desire to prove my coaching prowess and win championships.
3. I will treat all players, parents, coaches, and referees with respect at all times.
4. I will do my best to teach and motivate my players in a demanding, yet positive and (mostly) fun environment.
  
5. I will abide by the "24 Hour Rule", which means I will not speak to my coach about playing time or game strategy within 24 hours after a game end.

## Communication with Director, Parents, and Players

Email will be the primary form of communication, however texting or calling may be required in some cases.

## Directors

Coaches will communicate on a regular basis regarding player and team updates, issues, suggestions, etc. as well as their own potential practice, game, or tournament conflicts. If a major issue arises, coaches will communicate with the director.

## Parents

It is the responsibility of the coach to effectively outline practice, tournament, and team expectations with all parents. Promptly send details regarding tournament schedules, arrival times, game times, break times, and dismissal times.

## Players

Give players consistent feedback regarding their skill development and play throughout the season. If a meeting is necessary, coaches should meet in a public, neutral place.

## Grievance Policy (24-Hour Rule)

All grievances need to wait at least 24 hours before reaching out to coaches to set up a phone call or meeting. Taking time to let initial feelings subside allows for logical, controlled discussion.

## Playing Time

Equal playing time is NOT guaranteed. All players will get a chance to play and potentially earn more minutes, but the majority of minutes will go to those players who earn it and give the team the best chance to compete and/or win. Families pay to learn skills, drills, and concepts in practice and do not pay for playing time in games. We believe earning what you get (in this case, playing time) is a major life lesson. **SKILL DEVELOPMENT IS A GREAT WAY TO BUILD CONFIDENCE IN YOUR PLAYER, WHICH MAY ULTIMATELY LEAD TO MORE PLAYING TIME.**

## Winning

Winning is not guaranteed. In fact, some teams may lose more games than they win. SCB will do it's best to find tournaments and games with teams of similar skill level, but this can often times be difficult and is never guaranteed. No matter the win-loss record of the team, coaches, players, and parents will remain positive and stay focused on constant improvement.

## Absences

If a player misses more than 6 practices, a meeting will take place with the player, parent, and coach to discuss the future of the player on the team.

# Risk Management

All Program members are required to have accidental/medical insurance that will cover them in the event of injury or illness.

## Release Liability

By signing this Program Policies and Procedures Manual, coaches and parents agree to the below Release and Waiver.

*I hereby agree to indemnify and hold harmless Supreme Court Basketball, LLC its parent, subsidiary and affiliated entities and/or any officers, partners, members, directors, coaches, employees, servants, agents, licensees and assigns of any of the foregoing, from and against any and all suits, awards, claims, damages, liabilities, costs and expenses (including reasonable attorney fees and related costs) arising out of injury or damages to participant in connection with his/her participation in any Supreme Court Basketball program or event. I hereby authorize Supreme Court Basketball, LLC to act for me according to their best judgment in any medical emergency situations.*

*Participant agrees that any pictures, audio, or visual recordings taken of him/her in connection with the seminar can be used for publication, promotion, articles, shows and advertisement without additional consent and without compensation at this time or any other time.*

## Safety Policies and Procedures

The development of Supreme Court Basketball Safety Policies and Procedures is not meant to be punitive, but rather designed to protect everyone involved. The below points are to be enforced among directors, coaches, players, and parents.

- Directors and coaches will avoid being alone with a player in nonpublic settings, including but not limited to, cars and hotel rooms.
- At no time will a director, coach, or parent verbally, physically, or sexually abuse a player.
- Directors and coaches will not buy gifts or give money to players.
- Directors and coaches will avoid fraternization with players in non-sanctioned settings.
- Profanity is prohibited.
- Parents and/or guardians of players ejected from games will require written notification by the coach to the director within 24 hours of the incident. Such incidents will be investigated, and suspension or expulsion from the program will be considered.

- Other incidents of inappropriate behavior by coaches, parents, and/or players including physical or verbal altercations, threats, and related activities at games or team events will be reported to the director within 24 hours, and suspension or expulsion from the Program will be considered.
- Player and parent personal information including phone number, email, home address, etc. will not be disseminated without prior consent from said player or parent.

## Emergency Procedure

In the event of an emergency, the coach onsite will contact all appropriate medical and protection agencies and then notify the director.

## Grounds for Program Membership Termination

Every effort will be made to ensure the positive experience for all players and parent members involved. Player dismissal is a right reserved by the organization for use as a last resort when all other resources of conflict resolution have been exhausted. Any player dismissed by authority of the director through the infraction of the stated organization rules (player or parent) will still be held liable for any and all outstanding membership fees and program dues as outlined at the beginning of the season and will not be entitled to a refund of any such fees paid to the organization.

# Parent/Player/Coach Agreement Form

## Acknowledgment and Receipt of Policies & Procedures Handbook

I, \_\_\_\_\_, (SCB coach, SCB guardian/parent of minor participating player, SCB participating player 18 years in age) acknowledge that I have received a copy of the Supreme Court Basketball (SCB) Policies & Procedures Handbook. I understand that I have an obligation to familiarize myself with the contents and provisions of this handbook and any other policy manuals, work rules, practices and/or procedures to Supreme Court Basketball. I understand that nothing in this Policies & Procedures Handbook constitutes a guaranteed employment or membership.

I, \_\_\_\_\_, agree [ ] or do not agree [ ] (check one) with my child's image, photograph or likeness to be displayed on any Supreme Court Basketball websites, flyers, or social media post.

I further acknowledge that this handbook is the property of Supreme Court Basketball (SCB).
